The formal continuing education programs of this program provider are accepted by the AGD for Fellowship/Mastership and membership maintenance. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. Provider ID# 216380

Atlanta ITI Academy for Oral Rehabilitation

Membership:

I have re-established our ITI study Club, which some of you may remember from a few years ago. This is an, less expensive and more clinical oriented concept of study club education.

The name of our group is:

Atlanta-ITI Academy for Advanced Oral Rehabilitation. (AAOR)

I hope you will consider joining, if you have not yet done so. Membership in the group is easy. You need to join the ITI, a superb world-wide international group devoted to Oral Rehabilitation education with a strong emphasis on dental implants.

Membership in the ITI is approximately \$350.00 per year. (Incidentally, this is the least expensive CE costs for board requirements in Georgia). Membership will give you access to all ITI study clubs around the world, of which there are many thousands. You will also have easy access to all educational material devoted to clinical oral rehabilitation, a comprehensive literature portfolio and a group of dedicated friends and colleagues with whom you can collaborate on cases and treatment concepts.

Go to www.iti.org, see the features of the ITI, scroll down and complete the tab that says: Become a member of the ITI. Once, done, let me know so that I can register you with our group AAOR,

Administrative and financial matters are taken care of by the ITI alleviating me of that task. They will also help us with clinical programming. We will host a minimum of four programs a year, but as needed, I will probably increase that to at least 6 programs a year. These will include cases, lectures, discussions on the latest literature and pearls and problems. All sessions will be interactive and will take place, whenever possible on a Thursday evening. Our fall program will be through zoom and depending on the Pandemic, we will hopefully return to in person sessions in November.

It will be your club! So, let me know what programs and material you want. I can arrange sessions on almost any clinical topic in dentistry. Thanks for your support.

Colin Richman,

Director Atlanta ITI Academy for Advanced Oral Rehabilitation.

(Devoted to Excellence in Dentistry).

Note Dr. Zandstra, Prosthodontist's comments; "Thanks again for creating our ITI group. I had been seeking out the Implant CE that would be most beneficial for me to update on current topics. It looks like this will be fantastic for that purpose!"
